

ASSOCIATION OF SPECIALIST BUDGERIGAR SOCIETIES & COMBINED SHOW REPORT 2026

Report by Ghalib Al-Nasser

It was a day of AGMs combined with the eleventh combined annual members' show of the Association of Specialist Budgerigar Societies and the Lutino & Albino BS which kick started the show season in May 2026. There was an increase in entry to 171 birds from 18 exhibitors for Adrian and Trevor Terheege to judge.

Thanks to Sue Clarke, ably assisted by Margret Walker, Gail Gee and Maggie Findlay, who provided first class refreshments and an excellent buffet lunch. The show ran efficiently with Rod Clarke as show secretary and Cy Thorne as show manager, Janice Al-Nasser dealing with the finances.

As usual there was a pleasant, relaxed atmosphere with good attendance at all the AGMs

The Lutino & Albino BS (LABS) was the first AGM to be held with Ghalib Al-Nasser passing on the Presidential Chain of Office to the new President Maurice Roberts. Cy Thorne was elected as the President Elect with Dave Critchlow as Chairman, Ghalib Al-Nasser as Vice Chairman, Cy Thorne as Secretary and Patronage Secretary and Ian Brickwood as Membership Secretary/Treasurer.

The Association of Specialist Budgerigar Societies (ASBS) was the second society to hold its AGM with Grant Findlay passing on the Presidential Chain of Office to the new Joint Presidents Ghalib & Janice Al-Nasser. John Cosby was elected President Elect with Ghalib Al-Nasser as Chairman/Secretary, Rod Clarke as Vice Chairman and Ian Fielding as the new Editor. All other officers remain the same. Ian Brickwood as Membership Secretary, Janice Al-Nasser as Treasurer, Shaun Smith as Patronage Secretary.

Next year's event is at the same venue in Bugbrooke on 16th May 2027.
